If the thought of a shop totally devoted to the manufacture of quality chocolate sets your pulse racing a little faster, then join the excitement over the regions newest sweet spot.

Waratah Chocolate is the Bega Valley's first chocolate factory, housing not just a shop, but a production room, where the chocolate is made.

Customers can view the chocolate making process at every stage and browse the

extensive range of chocolate products before buying. You can also indulge yourself with one of the 24-flavours of ice-cream now available.
