

Membership Category Letter of Understanding.

Intermediate Golf Membership.

To be read and signed by member applying for membership.

Dear applicant.

Thank you for choosing Tura Beach Country Club to become a member of.

You have chosen to be a restricted member, with the option of Intermediate golf membership. This membership category does come with restrictions.

The cost of this membership includes GST, PIP insurance and golf affiliation fees.

Under this membership, you are entitled to full use of our golf course on any day, with the exemption of any course closures, without any green fees payable, but are required to pay any competition fees that may be payable should you decide to enter any of the competitions. You must report to the pro shop prior to any round of golf whether being social or competition, this is also a Covid-19 requirement. There is a limit of 25 x 18-hole games, or 50 x 9-hole games or a combination of both totaling no more than 450 holes of golf. These can be social or competition golf. Although you can play in honour board or perpetual trophy events, you are ineligible to take out the naming honours. These include, but are not limited to, Club, Vet or Foursomes Championships, Captains and Presidents Trophies. If you exhaust your allocated allowance, you will be able to take up the options of paying the difference of a full membership and change category, buy more blocks at a cost of \$135 per 5 x 18 holes or pay full green fees.

If you are found to have been playing outside of restricted conditions, without meeting the above criteria, Tura Beach Country Club will invoice you for a future 5 x 18-hole block and so on.

Tura Beach Country Club advises that you read this in conjunction with the club constitution.

In signing this form, you acknowledge that you have read and understand the context in this contract.
